3. **Proposed footpaths' leaflet**

A discussion took place on the Council's ideas for the production of a leaflet which would illustrate a variety of walks in the Community and which would be distributed widely to residents and other interested bodies. Mr Squires and Dr Yule shared their experiences with the Council of producing footpaths leaflets. They also emphasised the importance of respecting both walkers' and landowners' rights by the erection of appropriate stiles and footpath signs.

Mr Squires and Dr Yule stated that they were happy to work in conjunction with Members to suggest some footpath routes in the Community which

were likely to be popular with walkers. To assist them in their work they requested two copies of the Community Council's large scale Ordnance Survey maps showing public rights of way in the Community.

RESOLVED: That the Clerk arrange for copies of the large scale Ordnance Survey map showing public rights of way in the Community to be provided to Mr Squires and Dr Yule.
