The working group had an open and honest discussion with the caterer.

It was agreed that the working group would recommend to the Community Council that

1. If the caterer sets up a standing order on Monday 1st October for payment of rent and pays the arrears by mid-November that no further action would be taken but if this is not the case that it would recommend to the Community council that we would need to make alternative arrangements
2. we will advertise the provision of Sunday lunch from Cafe 50 from the start of January
3. that Tara will talk to the afternoon groups and ask them to start at 2 p.m. This will give the caterer the opportunity to provide food between 12 and 2.
4. that the caterer will provide toasties and a cup of tea for about £2.50
5. that PCC will advertise the new venture with banners and leaflets

## Peace at Last

The working group discussed the events that are already organised and the sale of tickets and the marketing of the events.

However, it agreed that we had taken on more than we could organise and were not sure that we could bring an audience for all events. It was agreed to cancel the films.

However, it was agreed that Carole would ask Dr. Elyn Jones to speak on Tuesday 6th November. YGGG Llantrisant will sing before the event.

The meeting closed at 8.40 p.m.
